### **Fieldwork ethics**

1. Take responsibility for your own actions / be able to self-rescue

2. Leave gates and property as you find them

3. Respect other people's privacy and/or cultural sensitivities

4. Do not disturb plants or animals

5. Leave no trace

6. Use your hammer only when necessary

7. Follow any signs and land owner's instructions

8. Travel and camp on durable surfaces

9. Minimize campfire impacts

10. Dispose of waste properly
